

2023 Fall Product Program Family Guide

The Fall Product Program is one of two council-sponsored programs that combine learning activities with money earning opportunities for girls and troops! Girls can market and run their own small business offering nuts, candy, and magazines to family and friends. And help spark that entrepreneurial spirit!

Help your Girl Scout Own Her Magic:

- **Engage with your troop**—help support your troop and Troop Nut Manager (TNM) as needed and ensure to follow all due dates.
- **Work with her**—teach your Girl Scout about online tools and safety, such as sending emails, text messages and even using a credit card to make an online purchase.
- **Let her lead**—allow your Girl Scout to lead her fall program!
- **Stand by her**—help boost your Girl Scouts confidence by teaching her how to ask people for support and make the most of a “No.”

5 Key Skills

goal setting

decision-making

money management

people skills

business ethics

2023 Fall Program Dates

Ensure to ask your TNM for any deadlines not listed below.

- Fri., Sept. 1—Fall Program begins—Girls can access M2 to set up their virtual storefront, take orders and contact customers!

Two Ways to Participate

1. Order Card: Customers can choose from nut and candy items on the order card—these items will be delivered to the CNM and your TNM will pick-up and distribute to parent/guardians. Girls can then begin delivering product to customers!

2. Online: Girls can use their M2 virtual storefronts to ask for support from family and friends. Girls can send a direct link for customers to shop and pay online for their order. Customers can choose to have items shipped to their door or in-person delivery!

Fall Rewards

TNMs are responsible for submitting reward selections for all girls—any unselected choices will result in the default reward (indicated with *). Final reward selections are due to your TNM on Tues., Oct. 31!
