

OUTDOOR PATCHES

These patches are available in the Girl Scout Shop in San Antonio. You can reach the shop at (210) 349-2404, ext. 244 or 1-800-580-7247.

PENGUIN PATCH

Carrying out camping, or one full day of outdoor activities, in non-climate controlled facilities. The temperature reaches 32° or less at any point during the campout or activities.

SIZZLER PATCH

Carrying out camping, or one full day of outdoor activities, in non-climate controlled facilities. The temperature reaches 100° or higher at any point during the campout or activities.

DUCK PATCH

Carrying out camping, or at least one full day of outdoor activities, when there is rain (not just drizzle but measurable rain fall) for at least 50% of the daylight hours qualifies the troop/group for the Duck Patch.

TROOP CAMPING PATCH

Carrying out Girl Scout camping activities at least twice between July of the current year and June of the succeeding year can qualify your troop/group for the Troop Camping Patch.

For information such as price, availability, etc. or to order patches, contact the Girl Scouts of Southwest Texas Council Shop in San Antonio at (210) 349-2404 or (800) 580-7247, extension 244. Six weeks advance notice required for orders of 100 or more patches.
