Summer of 2016 is about choices and experiences to match every girl’s wishes and interests. We’re confident the young lady in your life will find something fun she can’t wait to do this summer at our camps!

Camp is a place where a girl can make new friends, explore the world around her and discover something she can’t wait to do again. It’s a place where transformations happen. In an environment created just for her, she will learn real life skills and develop self-esteem while gaining a sense of independence and community. While playing outdoors, girls encounter more opportunities for decision making that lets them work together to problem solve and think creatively. Camp gives girls the chance to let their curiosity run free and sparks their imagination!

Girl Scout camp helps a girl discover her potential, dreams, and aspirations as she builds a skill set she can use for success today and in her future. Campers will discover, connect and even take action on issues and challenges important to them.

WHO CAN GO TO CAMP?

Girls entering grades K-12 and all camp experience levels are welcome. Use this guide to find the camp that’s right for your girl.

The best part is that ANY girl can attend Girl Scout camps! Non-Girl Scouts simply pay an annual $15 membership fee in addition to the camp fee to become a registered Girl Scout.

The Girl Membership Form can be found on page 29.
CAMP LA JITA
RESIDENT CAMP

La Jita is a Native American phrase meaning “Precious Possession,” aptly chosen as the name of the Girl Scouts of Southwest Texas camp that rests on 236 acres of Texas Hill Country land along the beautiful Sabinal River near Utopia. The John F. Camp family donated the land in 1946 for thousands of happy campers have enjoyed Camp La Jita during the camp’s 70-year history.

Camp La Jita is proud to be accredited by the American Camp Association (ACA), with whom we have received 100 percent satisfaction for the last five site visits, which take place every three years. Developed exclusively for the camp profession, this nationally recognized program focuses on program quality, health and safety issues, and requires us to review every facet of our operation. The display of the ACA logo is a privilege reserved for camps which have met the criteria.

Girls can attend one- and two-week sessions living in rustic cabins. They’ll develop independence while under the supervision of specially trained camp staff who help girls plan activities to create a unique camp experience. A variety of sessions are open to all girls entering grades K-12. Scholarships are available—see page 23. The completed application with registration form is due Friday, April 15 for consideration.

Three meals are served daily in the community dining hall. Activities range from riding horses, swimming, hiking, archery, canoeing, arts and crafts, cookouts, nature activities, singing, games, earning Girl Scout badges and more. See more on pages 12-17. Find the registration form on page 27.

Also remember to bring a water bottle! Camp registrations will be accepted. For security reasons, travel instructions are available by contacting the Girl Scout office. Directions may be provided via phone, as well as in camp confirmation packets.

JOIN THE TEAM!

Camp La Jita welcomes enthusiastic, talented and caring adults interested in making a difference in the life of a girl! Staff members are selected based on experience, ability to serve as positive role models and a genuine desire to work with children. The ratio of counselors to girls varies. Seasonal positions available include kitchen staff, nurses, lifeguards and counselors. Interested? For positions available visit [bit.ly/196pUek].
Are You and Your Camper Ready for Camp?

Although age is one factor in camp readiness, a girl’s maturity level and personality are more important. Talk with your girl about camp and ask if she wants to attend. Additionally, are you ready to send your child to camp? Use the following statements or questions to help make your decisions together.

Emotional Readiness
- Has your camper ever been away from home for more than one night without a family member? Girls should not be afraid to be away from home or parents overnight and to try new things.
- Are you prepared to be away from your child for several days? Parents also need to be prepared to let their daughter go!
- She wants to go? Let her choose the session.
- Can she cope with new people, places and schedules? She should be willing to sleep, eat, play with all girls, not just with best friends and function as a member of a group.
- Can she cope with unknowns like:
  - Strange places, including bathrooms
  - Darkness (no electricity)
  - Woods and night noises
  - Spiders, bugs and worms
- Doesn’t always have to have her own way, can give in graciously.

Physical Readiness
- Can she care for her own basic hygiene needs, such as brushing her teeth and showering?
- Are you confident in your daughter’s ability to take care of herself, make her own bed and keep track of her belongings?
- Does she like, and is she comfortable in, the outdoors?
- Do you believe Girl Scout camp provides girls with a fun and rewarding experience that builds skills, self-worth and independence?
- Can manage with little or no privacy.

If your camper is not ready for a five-day overnight stay, we invite her to try troop camping so she can try the camping experience with others that she knows well.

By investing in girls, you make programs, like camp, possible for thousands of girls each year. Thanks to our donors, girls pay 50% less for Girl Scout camp than other camps. More girls at camp, means more girls benefiting from everything that camp has to offer. They’ll engage in outdoor learning activities and fun-filled explorations that help them build the confidence they need to make a difference in the world while making memories that last a lifetime. Donate today to extend the Girl Scout leadership experience to even more girls.

girlscouts-swtx.org/donate
Camp is a special place where girls jump into action and connect with nature. They will plan their own adventurous program that breaks away from their home routine and creates fun with new friends in a healthy outdoor environment. Research has shown that nature is an important aspect of a child’s development in every major way—intellectually, emotionally, socially, spiritually and physically. That’s why Camp La Jita is the chance for girls to spend summer outdoors! They will gain self-confidence through laughter, play and personal growth and enjoy a shared independence under the guidance of trained camp staff.

All resident camp sessions take place Sunday-Friday. Caregivers can drop off girls on Sunday between 3-5 p.m. and pick them up on Friday between 3-5 p.m. During the one- or two-week stay, girls will reside in a rustic cabin in one of camp’s seven living units with other girls their age. Each unit is continually supervised by two or more counselors whose cabin isn’t too far from theirs. Don’t worry; units have showers and operational toilets a short distance from their cabin.

The day is spent in a variety of activities with a rest period after lunch during the warmer part of the day to write letters, read or play card games. Afternoons are filled with more adventures, dinner, late night swimming, stargazing and singing by the campfire.

Kapers, a.k.a. camp chores, will also be a part of each day’s routine to help develop a sense of responsibility and appreciation for keeping camp neat and clean. Except for the cookout on Thursday night that they help plan, meals are served three times a day in the Great Hall, our central dining facility. And in case they need one, afternoon snacks are also provided.

Resident Camp Registration form is on page 27.

CAMP LA JITA FAQS
Frequently Asked Questions

1) Where is the resident camp located? Camp is located 2 miles south of Utopia. The physical address is 19459 Hwy 187 N., Utopia, TX 78884. A map is included in your confirmation packet.

2) What is Camp La Jita’s contact phone number? 830-966-3526

3) What’s the weather like at Camp La Jita in the summer? The weather varies, but is very similar to San Antonio. Temperature can be plus or minus as much as 10 degrees of San Antonio weather because we are in the Hill Country.

4) Why do I have so much paperwork? We want to ensure you have all the information you need to prepare your camper for camp, and also so we can properly ensure that your camper is safe. We apologize for the inconvenience!

5) What is the camper release form? This form gives us permission to have your camper treated in an emergency, tells us who is allowed to pick up your camper, if we have permission to use photo or video images of them for promotional use, if they are allowed to participate in all of our camp activities (like swimming and horseback riding), and if they are allowed to watch a movie (if it is related to their camp theme). Please hand carry this form to camp; it is the first one you will be asked for.

6) What is the camper/parent agreement? This form is an agreement that your camper is going to follow the Girl Scout Promise and Law; campers who do not may be asked to go home. You will fill this out with your camper and the unit counselors before leaving.

7) When will I be notified of an illness? While we strive to prevent illnesses and injuries at camp, sometimes campers can get hurt. We understand that you have a busy schedule or may want to call and check on your camper every day to see if they are okay.

8) What is the Trading Post? Camp La Jita operates the Trading Post, which is the camp store. It usually carries shirts, water bottles, hats, stuffed animals, games, jewelry and other fun stuff. It does not carry food as we provide snacks in the afternoon. The Trading Post is cash or check only, and will be open on Friday during checkout. Campers will visit the Trading Post at least once during their session to make purchases. Money is kept for girls in an envelope with their name and returned at the end of their camp session during the checkout process.

9) Why are the counselors in separate cabins? This is for several reasons; we don’t have counselors in the cabins to afford both the girls and staff privacy. It also allows the girls a sense of independence. However, the counselors stay in cabins close by, so the girls are supervised.

10) If there is bad weather or flooding, should I come pick up my daughter? We want to encourage you to not worry, as camp has high ground that girls can go to during an emergency. The staff are also trained of where to go during bad weather. We do not want to put you in any danger trying to go to camp. If there is an event that we need you to pick up your camper, we will implement our ICE plan (In Case of Emergency) and the ICE team will contact you with specific information of when and where to pick up your camper.

a. You will be notified of minor illnesses and injuries, such as blisters, scratches or cuts requiring a Band-Aid, minor sunburns, or insect bites at the end of the week.

b. If your camper has an illness or injury that concerns the Health Supervisor or the Camp Director, such as elevated temperature, vomiting and diarrhea, burns, sprains, or a medical situation that may require your camper to be treated at a medical facility, you will be contacted immediately.

c. Camp La Jita is served by Utopia Volunteer EMS, and the hospitals that are able to serve us in emergencies include Uvalde Memorial Hospital and Peterson Regional Medical Center in Kerrville.
11) Can I bring mail to camp or do I just mail it?
Both! You can hand carry mail and leave at the check in table, or you can mail it a few days in advance. Don’t forget to put your camper’s name, session name (ex. Saddle Up) and what day you would like the mail delivered.

12) Can I purchase a care package at camp?
Unfortunately, the Trading Post can’t complete care package transactions. These must be paid for at the Sally Cheever and West Side Girl Scout Leadership Center shops or online. You can fill out the form on page 31 and follow the directions provided.

13) I don’t think I got the packing list/ confirmation packet/ permission forms and I don’t know where to get them! If you have not received your confirmation letter or information packet, contact the Volunteer Service Center to have them resent to you. They can be reached at 210-349-2404/1-800-580-7247 or email VolunteerHelpDesk@girlscouts-swtx.org.

14) My camper is in a two-week horse unit (Saddle Sidekicks, Night Riders or Wild, Wild West), and I want to know if I can pick them up after their show on the second Thursday. You can definitely come pick up your camper after their show. Please arrive for the show before 7 p.m. and have photo ID ready to show the director to check out your camper.

15) Will my camper who is in a two week session be able to do any laundry? Campers can use the camp laundry facilities to clean their clothes during the weekend. Please pack your camper some detergent and dryer sheets.

16) I forgot to bring my camper’s sleeping bag/fan/etc.! If you get to camp and realized you forgot to bring something for your camper, we will try to locate something your camper can use, otherwise you can bring it by the camp office later in the week.

17) I forgot my camper’s medications/sleeping bag/luggage when I picked her up on Friday! We try to bring lost & found to the West Side Girl Scout Leadership Center once a week, and you can claim it there; keep in mind it takes up to a week for lost and found to be transported. Please make sure to label all of your camper’s belongings! Unclaimed lost & found will be donated at the end of August to Goodwill.

18) What is the food like at resident camp?
Campers report that our food is great. We strive to provide nutritious menus that appeal to children and teens through preparation by our kitchen staff.

Sample Daily Menu

Breakfast
Pancakes, syrup, juice, cereal, fruit & milk

Lunch
Chicken tenders, mixed veggies, fruit & juice

Snack
Goldfish crackers

Dinner
Spaghetti, bread, green beans, salad, dessert

19) How do you handle food allergies? We strive to accommodate food allergies. However, prior to registering for camp, be sure to contact us at 830-966-3526 or tbomer@girlscouts-swtx.org to discuss your specific requirements. If we determine that we can accommodate your child’s food allergies, our staff will work with you to develop an appropriate plan.

20) What time is check-in and checkout? 3-5 p.m. on Sunday for check-in, and 3-5 p.m. on Friday for check out.

Campers must complete camper profiles and are required to submit health history forms.
As with all programs sponsored by Girl Scouts of Southwest Texas, activities are governed with the best interest, health and safety of every girl. All river and lake activities are dependent on the recommendation of the Corps of Engineers as to the safety of the water level (too low or too high) and the bacteria count. Every attempt is made to offer the girls everything that is listed in the camp guide; however, due to circumstances beyond our control (weather, etc.), some activities may be changed. In this case, girls are given several choices to complete their camp experience.

**How to register**

All camp sessions will be filled on a first-come, first-served basis. All camp registration forms may be mailed or dropped off at the Sally Cheever Girl Scout Leadership Center (811 N. Bus transportation is provided daily from the Sally Cheever Girl Scout Leadership Center to the West Side Girl Scout Leadership Center at no additional cost.

*Transportation is **NOT** provided for Camp La Jita resident camp sessions.*

**Confirmation packet**

Each camper will receive a confirmation packet via email, which includes medical/release forms, equipment list, directions to camp and general information. Confirmation letters will be sent no later than two weeks prior to each session. If you have not received your confirmation packet, first check your spam or junk folder. If you still can’t find your packet, contact the Volunteer Service Center (210-349-2404/1-800-580-7247 ext. 391). Several forms in the packet are required by law with original signatures before the camps can accept your camper at check-in.

**Visiting camp**

Please, no visiting campers during camp sessions. Parents/guardians are encouraged to tour the camp and talk with staff at the time of arrival, departure and during the camp’s open house, details on page 5 and page 8.
**Health info**

Each resident camper is required to have a health examination by a licensed physician. Health examinations should be current (within one year) through the camper’s last day at camp. Examinations for some other purpose within this period are acceptable. GSSWT offers a low-cost physical night (see page 5 for date and fee information).

**Resident Camp Health History Form**
The resident camp health history form is required—download from the forms section of the website or visit girlscouts-swtx.org/campplajita. Completed form, with original signature, must be hand-carried to camp—do not mail to the council office!

**Camp Metro Health History Form**
Camp Metro health history forms are required for girls attending Camp Metro sessions—visit girlscouts-swtx.org/campmetro.

**Buddies**
For resident camp only, a girl may request a single buddy. Cabins are not assigned in advance so, to ensure that your daughter and her buddy (who are in the same session) are in the same cabin, we recommend checking in at the same time, or saving a bed in the cabin if you arrive before the buddy.

**Technology**
No electronic devices are permitted at camp sessions (because they are easily lost or damaged in the camp environment). Cell phones, iPods, iPads and Kindles are not permitted at camp for any session. If these electronics are brought to camp, they will be collected immediately by staff for safekeeping and will not be returned until the camper is picked up. The camp, staff and Girl Scouts of Southwest Texas are not liable for the loss of or any damage to an electronic device (including, but not limited to, cell phones, Kindles, iPads, etc.) brought to camp in noncompliance with the camp procedures of no electronic devices permitted.

**Financial info**

**Non-Girl Scout Fee**—Any girl can attend Girl Scout camps. Non-Girl Scouts simply pay an annual $15 membership fee in addition to the camp fee and enjoy a Girl Scout membership.

**Non-Council Girl Scout Fee**—If attending resident camp, an additional $50 fee is required for Girl Scouts residing outside the GSSWT council jurisdiction. Fee must accompany registration.

**Cookie Credits**—Cookie credits may only be used for the balance of camp fees. Cookie credits will be mailed by GSSWT in early May. For out-of-council cookie credits, please contact your council to request a check payable to GSSWT.

**Scholarships**—Scholarships for GSSWT camps are available to currently registered GSSWT members only and are not available for the camp deposit or before/after care fees. Submit the completed Camp Scholarship Application with the appropriate registration form and $25 camp deposit to the Sally Cheever Girl Scout Leadership Center or West Side Girl Scout Leadership Center. NOTE: Resident camp at Camp La Jita forms are due by Friday, April 15 and Camp Metro forms are due Monday, May 2. Requests received after April 15/May 2 will be considered upon availability of funds. All balances must be paid in full before close of business, 10 business days before each camp session begins.

**Trading Post at Camp La Jita**
Camp La Jita operates a Trading Post, which offers an assortment of souvenirs, stuffed animals, T-shirts, caps and more for sale. Trading Post accepts cash or check only. Campers will visit the Trading Post at least once during their session. Money is kept for girls in an envelope with their name and returned at the end of their camp session.

**Deposits**
A $25 nonrefundable deposit must accompany each registration form. An additional $25 deposit is required for each additional camp session. Deposit will be applied to the total fee. Payments are accepted by cash, check, money order, Visa, MasterCard, Discover and American Express. If making payments, all balances must be paid in full before close of business, 10 business days before each camp session begins.

**Refund policy**

**Deposit:** The $25 deposit is nonrefundable unless the camper cannot be placed into the camp session of her choice.

**Balance:** The balance of the fee will be refunded if a camper does not pass the physical examination or an unexpected illness occurs prior to the camp session’s start date. A refund may also be made if a family moves out of the council’s jurisdiction. Please submit a written statement with documentation to the Sally Cheever Girl Scout Leadership Center, Attn: Volunteer Service Center. There will be no refund should a camper leave the session early due to an illness, homesickness, misbehavior or parental request.
