B. What issues did your project address? Who benefited from your project?

C. How did you use your strengths, talents, and skills to make your project a success?

D. What challenges did you have to face to finish your project? How did you overcome those challenges?

E. How did your role as a leader help your team finish the project?

F. Did you have project expenses, how did you pay for the costs?

By signing below, the girl(s) and the adult supervisor admit that all information in the final report is true and correct and each girl listed on page one of the final report has completed all of the requirements as stipulated by Girl Scouts of USA and Girl Scouts of Southwest Texas, including the minimum of 20 hours service for the take action project.

By signing below, the girl(s) and the adult supervisor amend that the Girl Scout Bronze Award Certificates may take a minimum of 3 to 4 weeks for processing and that the party listed on page 1 will retain the certificates at the front desk of the Sally Cheever Girl Scout Leadership Center as soon as they become available.
