Be a Super Troop
AND EARN A PATCH!

According to girl and parent feedback, the most successful Girl Scout troops have lots of variety in their Girl Scout experience! Aim to include as many of these activities in your calendar plan for the year. Ask the parents in the troop to pick one activity they can help you organize.

Earn your free patch when you complete the ten elements of a Super Troop year and complete the online survey between May 1 thru July 15. Your stories are important to us and we want to hear from you. Oh, and we love pictures - share those too!

Girl Scouts is girl-led, so our volunteers help girls make decisions about where they go and what they do. We can help – see our list of council-hosted events that help girls explore the community while earning badges and Journeys at www.girlscouts-swtx.org/en/events/event-calendar.html
