

This summer, Girl Scouts of Southwest Texas (GSSWT) will be partnering with CampDoc.com once again to better serve our campers and staff. The security and privacy of your camper's health information is important to us. CampDoc.com offers an electronic health record system for camps and the site is secure, encrypted, and password protected. Only GSSWT health staff will have access to camper health information.

Parent/Guardian of:

Returning Campers

You will receive a notification email from CampDoc.com to login and update your camper's information.

- You may use the same login previously created to access your CampDoc.com information.
- If you forgot your password from last year, enter your email on the login page and click "Forgot Password" to reset your password.

New Campers

You will receive an "Invitation" email from CampDoc.com.

- Click on the green "Accept Invite" link within the email to create your CampDoc.com account.
- Enter your full email address and click continue to set your password.

All Campers

- Once logged in, select your camper's name and click on the health profile link to complete your camper's information.
- Required questions will be marked with an * and outlined in red.
- Upload any required documents to your CampDoc.com account. If you're on a phone/tablet, you can take a picture to upload the document. Print out forms and confirmations.
- Return to CampDoc.com at any time to make changes or update your camper's health information before camp begins.

CampDoc.com sends out periodic reminder emails for incomplete health information. These notifications will come from campdoc.com so please add this to your safe sender list to avoid accidental deliver to junk and spam folders. We don't want you to miss important notices about camp!

IMPORTANT NOTE: Campers will not be admitted to camp session if any required health and participation forms are not completed or if there is still a balance owed for the camp registration.

Please note that CampDoc.com supports the current and previous major releases of Chrome, Firefox, Microsoft Edge and Safari which provide improved security and performance for health information.

We are excited to continually improve and bring more efficient systems to create the best experience for you and your family! We can't wait to see you this summer.

If you experience any problems or need assistance, please email customercare@girlscouts-swtx.org. Include girl name and camp location/session/date along with any other specific information that will assist us in resolving any issues.
