

Handout to Guardian with Fast Pass Tags

You will need your **fast pass tag** that you **MUST** have when dropping off and picking up your camper from Camp Metro. You are receiving 2 cards (per camper) for you and another authorized person you have included in your **CampDoc** authorizations. Anyone dropping off and picking up will also need their **driver's license** or other government-issued picture ID and be an authorized person in CampDoc.

Due to the safety protocols we have in place, GSSWT is exercising a contactless drop off and pick up at the curb for campers. There will be **no** exceptions. Parent/guardian is required to always remain in the vehicle. Girl may be dropped off at either location as early as 7 a.m. and needs to be picked up no later than 6 p.m. each day. Camp activities take place from 9 a.m. – 4 p.m. each day.

The following protocols will be in place:
